We're here for you.

Dear Member,

During these difficult times, we want you to know that the East Peoria Chamber of Commerce is still working for you. We are compiling all available information and resources from City and State officials, as well as the Greater Peoria Economic Development Council.

As always, our top priority is to provide leadership, service and resources to our members and community. You are all an important part of this community, and we want to see you thrive. If there is anything we can do to assist your business, or if we can answer any questions, please reach out to us.

In light of the current circumstances, we are offering a deferred membership renewal. We will accept renewals as on-time for 4 months past your original renewal dates. In addition, any members who have already paid their 2020 dues will have a 4-month extension on their dues for 2021. Essentially, memberships will last 16 months for the price of 12 months. We understand that these are trying times and we are committed to helping you and your business get back up and running as quickly as we can. Our chamber is first and foremost a support network, and we want that to continue regardless of due dates.

Your sustained investment in the Chamber and dedication to our community is greatly appreciated! Please contact us with any questions.

Sincerely,

East Peoria Chamber of Commerce

Rick Swan, Ashlyn Kahl, and Board of Directors
